Description

Reproduction steps:

1. Open application OrangeHRM on browser
2. Log in to the application with a user of type HR Admin
3. Log in to the application with a user of type HR Admin
4. Complete the fields and click "Save"

Expected result: The new Sub-Unit is added and listed

Actual result: In the application, in order to be able to add a subunit to the company structure, the must follow the path Admin>> Organization>> Structure > > Edit > > click on [+] Add.

The screenshot shows the OrangeHRM application interface. The top header is orange and contains the 'Admin / Organization' breadcrumb, a user profile for 'Paul Collings', and several tabs: 'User Management', 'Job', 'Organization' (selected), 'Qualifications', 'Nationalities', 'Corporate Branding', and 'Configuration'. The left sidebar is orange and contains a search bar and a list of navigation items: 'Admin' (selected), 'PIM', 'Leave', 'Time', 'Recruitment', 'My Info', 'Performance', 'Dashboard', 'Directory', and 'Maintenance'. The main content area is titled 'Organization Structure' and features a tree view of the organization structure. The root node is 'OrangeHRM', which has a green '+ Add' button next to it. Below it are several sub-nodes: 'Administration', 'Engineering', 'Sales & Marketing', 'Client Services', and 'Finance'. Each sub-node has a trash icon, a pencil icon, and a plus icon. The 'Edit' toggle is turned on.
