Description

Under Locations, the HR admin can add details of sites and branches of the company. You are also able to track the number of employees working for a particular location once employees are tagged to the locations when building up the PIM Module.

To add a location go to Admin>>Organization>>Location and click "Add" and the screen as shown in Figure 2.7 would appear.
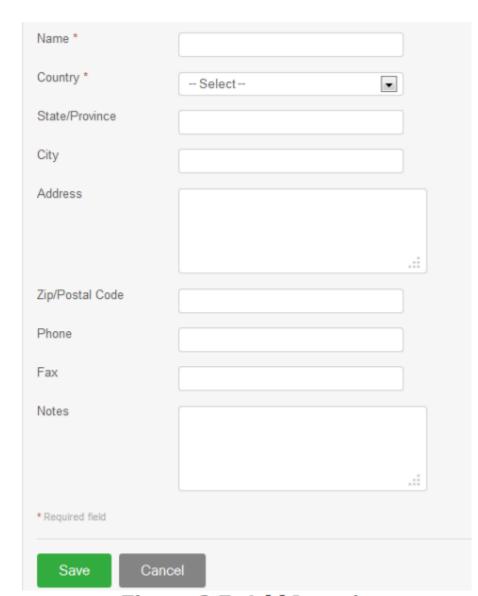

Click "Save" once the fields are added.

Figure 2.7: Add Location

Once a location is added, it will be listed as shown in Figure 2.8. You may also enter multiple locations. You may view location details by clicking on "Location Name".

Name	City	Country	Phone	Number of Employees
HQ	California	United States	23156234757	10
London	London	United Kingdom	442011134545	0

Figure 2.8: Location List

To delete a location click on the check box next to the location name. It is also possible to delete multiple entries at the same time by clicking the check box entries you wish to delete and simply clicking "Delete".
