Description

Employment Status allows you to define the status of employment employees are hired for or if they are terminated. To add an entry, go to Admin>> Job>> Employment Status and click "Add" and a screen as shown in Figure 2.0 would appear.

Click "Save" once the field is added.

Figure 2.0: Add Employment Status

A list of Employment Status as shown in Figure 2.1 would appear once an Employment Status is added. To edit an employment status, click on the "Employment Status" name.
